

Patented Soil Amendment

INGREDIENTS: Vermacompost Extract, kelp and humic acid (derived from leonardite)

- 1 X 10⁸ cfu *Bacillus amyloliquefaciens* per ml
- 1 X 10⁷ cfu *Bacillus licheniformis* per ml
- 1 X 10⁷ cfu *Bacillus megaterium* per ml

CAUTION: KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS: None

This product has been reviewed and was found to be non-hazardous per the GHS Standard.

General Information

KaPre® RemeD8 soil amendment was formulated specifically for greens, tees, fairways, sports turf and lawns of all types.

DO NOT FREEZE

DO NOT STORE AT TEMPERATURES ABOVE 75°F

Product expires two years from date of manufacture

Application Rates and Timing

General Program: Apply 3 to 6 oz. per 1,000 ft² (1.0 to 2.0 gal. per acre) of KaPre® RemeD8 bi-weekly throughout the season.

Maintenance Program: Apply 6 to 15 oz. per 1,000 ft² (2.0 to 5.0 gal. per acre) of KaPre® RemeD8 bi-weekly for the first month of the season. Apply 3 to 6 oz. per 1,000 ft² (1.0 to 2.0 gal. per acre) of KaPre® RemeD8 bi-weekly throughout the remainder of the season.

Notes:

- * Applications should be made in the morning or late in the day.
- * Spray area thoroughly.
- * After application, irrigate turf down through the depth of the affected soil.
- * For best results, follow the Performance Soil Treatment™ protocol and synergize KaPre® RemeD8 with labeled rates of KaPre® ExAlt and labeled rates of Pennamin® products!

Tank Mixes: Do not mix with other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

Application as a Fertilizer Additive

Impregnation Rates for Dry Fertilizers:

Spray 1 to 4 gallons of KaPre® RemeD8 per ton of dry fertilizer depending on the rate of application of the finished product. Please contact your Performance Nutrition® representative for specific information.

Storage and Disposal

Storage: Store product in original container away from children and domestic animals. Do not contaminate water, food or feed by storage or disposal.

Product Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
