0.15% Chelated Zinc (Zn)	

Derived from copper IDS, manganese EDTA, manganese IDS, molybdc oxide, nickel IDS, zinc EDTA, zinc IDS and urea phosphite.

CAUTION: KEEP OUT OF REACH OF CHILDREN

DANGER

Toxic if swallowed or inhaled. Harmful in contact with skin. Causes skin irritation. May cause an allergic skin reaction. Causes eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause respiratory irritation. May cause drowsiness or dizziness. Suspected of causing genetic defects. May cause cancer. May damage fertility or the unborn child. Causes damage to organs through prolonged or repeated exposure.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Avoid breathing fume/mist/vapours/spray. Wash skin thoroughly after handling. Do not eat drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing/-eye and face protection. In case of inadequate ventilation, wear respiratory protection.

IF SWALLOWED: Immediately call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical attention/advice.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms: Call a poison center or doctor/physician.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

If exposed or concerned: Get medical advice/attention. Get medical advice/attention if you feel unwell. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

WARNING: This product should only be used on soils that respond to molybdenum. Crops high in molybdenum are toxic to grazing animals.

General Information

Prudent® RX is a chelated micronutrient solution along with 18 L-amino acids that help provide balanced nutrition. This product is intended to compliment a standard fertility program. Prudent® RX provides crops with the nutritional balance to overcome the symptoms caused by environmental stress. Optimal results are achieved when Prudent® RX is applied with Nutrol®.

Application Instructions

Prudent® RX can be used on all types of citrus, vegetable and field crops, including but not limited to tomatoes, peppers, soybean, corn, wheat, etc.

Rate and Timing per acre:

- Apply 1 ounce of Prudent® RX per gallon of solution.
- Apply as needed throughout the growing season.
- **DO NOT exceed 2 gallons per acre in a single year.**

Storage

Do not allow product to freeze in storage

Compatibility

Prudent® RX is compatible with most fertilizers and pesticides; however, a compatibility test is recommended. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand alone for one hour. If a precipitate forms, then apply the products separately.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to LidoChem, Inc. at the address on this label and referring to the lot/batch # on this container.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
