General Information

NutriSmart® contains patented strains of yeast that utilize nutrients already present in the soil and atmosphere. These patented strains solubilize phosphate, unlock potassium in the soil into exchangeable forms and fix nitrogen from the atmosphere, providing readily available sources of NPK for plants.

NutriSmart® is designed to improve soil structure and nutrient use efficiency.

Application Instructions

Turf and Ornamentals:

1. For use as an Aerification Amendment: On golf course greens, tees and fairways, commercial & residential lawns and sports turf:

- Aerify surface to be treated.
- Broadcast 5 to 10 lbs of NutriSmart B per 1,000 ft².
- Drag NutriSmart B into holes.
- Top dress as normal.

Note: Apply NutriSmart B at each aerification.

2. For use with conventional and organic fertilizers:

- Replace 20 - 30% of soil applied granular NPK with an equal amount by weight of NutriSmart B.
- Apply as normal and follow same application method and schedule as normal fertility program.

Agricultural and Other Applications:

1. For use with conventional and high quality organic granular fertilizers:

- Replace 20 - 25% of soil applied granular NPK with an equal amount by weight of NutriSmart B.
- Apply as normal and follow same application method and schedule as normal fertility program.

2. For use with manures:

- Replace 25 - 50% of manure with the following recommended rates:
 - * Slow growing or low nutrient demand crops (rice, etc.): 200 to 350 lb. per acre
 - * Fast growing or high nutrient demand crops (fruits, vegetables, trees, etc.): 400 to 900 lb. per acre.
- Apply as normal and follow same application method and schedule as normal fertility program.

Application Recommendations:

- Irrigate within 24 hours of the application.
- For best results, broadcast NutriSmart B and, if possible, incorporate into the soil at a depth of 2 to 5 inches (within 24 hours if broadcasted).
- Apply within 10 days of seeding or planting.
- Do NOT apply pesticides within 3 days before and after NutriSmart B is applied.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

SGN 100 SGN 150 SGN 250 SGN 350
