General Information

Ormanica™ is an all natural, low odor, premium plant compost manufactured with a proprietary process that utilizes earthworms, vegetable matter, agricultural grade mulch and beneficial bacteria.

Ormanica™ adds organic matter to the soil, helps retain moisture and can be applied to all types of crops, turf and soil mixes.

For greens turf, Ormanica™ can meet USGA guidelines as an organic amendment for sand based root zones. It can also be used for dormant feeding and broadcast applications on tees, fairways, tees, sports turf, landscaping and home lawns.

Application Instructions

Organic Amendment for Soil Mixes: Incorporate Ormanica at a rate of 10 - 20% of the soil blend for potting soils, greenhouse mixes and sports field mixes.

Soil Preparation: Incorporate Ormanica depending on soil type.

Sandy Soil – 75 - 100 lb. per 1,000 ft² of bed

Clay Loam Soil – 50 - 75 lb. per 1,000 ft² of bed

Silt, Clay Loam Soil – 25 - 50 lb. per 1,000 ft² of bed

Renovation of compacted turf in conjunction with aerification for greens, tees, around soccer goalmouths and on sports fields:

Add 5% Ormanica by volume to topdressing sand or broadcast after aerification at the topdressing rate.

Top-dressing: Add Ormanica at a rate of 10-12 lb. per 1,000 ft² (435-525 lb./acre) in the fall and spring as a top-dressing for golf, sports turf and lawns.

Application Instructions (cont.)

Seeding, re-seeding and over-seeding: Use as a mulch on top of seed. Apply Ormanica at a rate of 10-25 lb. per 1,000 ft² (435-1,085 lb./acre) over the entire area to be seeded.

Divot mixes, green sand, etc.: Blend 50-150 lb.Ormanica with 1 ton of sand.

Organic amendment (alternative to peat) for sand based root zone mixes: To meet USGA guidelines, blend Ormanica with sand at a 95:5 to 90:10 ratio of Ormanica:sand for the desired root zone mix.

Handling and Storage

- Keep product dry and intact prior to application.
- Store bags and product in cool and shady areas away from humidity, high temperatures and fungicides.

CAUTION: KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed. Causes mild skin irritation.

PRECAUTIONARY STATEMENTS:

Call a poison control center or doctor/physician if you feel unwell.
 If skin irritation occurs: Get medical advice/attention.

In Virginia this lawn/turf fertilizer contains phosphorous and is only for nonagricultural use on (i) turf during its first growing season, (ii) on turf areas being repaired or renovated, and (iii) on turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not for the routine maintenance of turf.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.
