

# JustFischen™ FISH HYDROLYSATE

## 2-3-1

### GUARANTEED ANALYSIS

Total Nitrogen (N).....2.0%  
 1.7% Water Soluble Nitrogen  
 0.3% Water Insoluble Nitrogen  
 Available Phosphate (P<sub>2</sub>O<sub>5</sub>).....3.0%  
 Soluble Potash (K<sub>2</sub>O).....1.0%  
 Derived from fish hydrolysate (stabilized with phosphoric acid) and sulfate of potash

### General Information

JustFischen™ Liquid Fish Hydrolysate is produced through a specialized, cold-process enzymatic digestion of fresh water fish. Since no chemicals are used in this process, the result is a 100% natural, liquefied fish with none of the beneficial oils or proteins removed. JustFischen Liquid Fish Hydrolysate is a rich source of natural protein and mineral nutrients for both plants and soil microbes.

### Application Instructions

**JustFischen Liquid Fish Hydrolysate can be used on all crops as a foliar or soil application at a rate of 4 fl. oz. per gallon of water.**

**Vegetable Crops:** Apply JustFischen Liquid Fish Hydrolysate at a rate of 3 gallons per acre 4 times a year. Make the first application at planting, the second application when the first primary leaves appear, the third application at pre-bloom and the fourth application prior to harvest.

**Fruit and Shade Trees:** Apply JustFischen Liquid Fish Hydrolysate to the soil 1 - 2 times per month with supplemental foliar applications between soil applications.

**Hydroponics:** Apply JustFischen Liquid Fish Hydrolysate at a rate of 1 quart per 50 gallon tank or 1.5 quarts per 75 gallon tank as needed.

**Seed Germination:** Mix 2 - 4 fl. oz. of JustFischen Liquid Fish Hydrolysate per gallon of water and let seeds soak in the solution for 12 - 24 hours.

**Cuttings and Transplants:** Soak the soil around the root zone and/or spray roots at transplanting with a solution of JustFischen Liquid Fish Hydrolysate.

**Compost Enhancer:** Add 3 - 5 fl. oz. of JustFischen Liquid Fish Hydrolysate per gallon of water and apply every 2-3 weeks.

**Turfgrass:** Apply JustFischen Liquid Fish Hydrolysate at a rate of 8 - 16 fl. oz. per 1,000 ft<sup>2</sup> every 3 - 4 weeks throughout the season.

### Mixing Instructions

JustFischen Liquid Fish Hydrolysate goes into solution easily. Agitate tank solution while adding and applying JustFischen Liquid Fish Hydrolysate to ensure thorough mixing.

**SHAKE IMMEDIATELY BEFORE USE.**

**Do not store diluted.**

**Tank Mixes:** Do not mix with pesticides or other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

### WARNING

Causes mild skin irritation. Causes serious eye irritation. Causes respiratory irritation.

### PRECAUTIONARY STATEMENTS:

Avoid breathing mist. Wash skin thoroughly after handling. Wear protective clothing/-gloves/eye and face protection. Call a poison center or doctor/physician if you feel unwell.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing.

**IF ON SKIN:** Wash with soap and water.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. If eye irritation persists, get medical attention/advice. Store in a well ventilated place. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

### KEEP OUT OF REACH OF CHILDREN

### Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to LidoChem, Inc. at the address on this label and referring to the lot/batch # on this container.
