Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

General Information

KaPre® PhoNix® patented potassium fertilizer solution is intended for use as a foliar or soil applied supplement to a good fertility program. KaPre PhoNix is formulated with Baypure® bio-degradable chelating agent and organic compounds for improved plant uptake. KaPre PhoNix helps build tolerance against physical and mechanical injury and environmental stresses such as drought stress, water stress, heat stress, etc.

Application Instructions

KaPre PhoNix can be applied as a foliar or soil application to all crops. Applications should be made at planting (if applicable) and then every 10 to 14 days throughout the growing season, as needed.

KaPre PhoNix should be diluted at a ratio of 400 parts spray solution to 1 part KaPre PhoNix. See table below for application rates for different volumes of spray solution.

Table with 2 columns: Gallons of Spray Solution per Acre, Ounces of KaPre PhoNix. Rows: 5, 10, 25, 50, 100.

Storage Instructions

Store KaPre PhoNix in a cool place and out of direct sunlight. It is recommended that KaPre PhoNix be stored in fiberglass, polyethylene or polyolefin. Do not stack pallets.

Mixing Instructions

Tank Mixes: Follow the following order of insertion when blending KaPre PhoNix with pesticides: 1. Water 2. KaPre PhoNix 3. Pesticide.

Compatibility

KaPre PhoNix is compatible with most pesticides. However, do not mix KaPre PhoNix with pesticides or other chemicals without performing a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Information regarding the contents and levels of metals in this product is available on the internet at http://www.aapfco.org/metals.htm or by writing to LidoChem, Inc. at the address on this label and referring to the lot/batch # on this container.
