CONCENTRATED
HUMIC ACID SOLUTION
with Performance Organic Acids™

GUARANTEED ANALYSIS

Soluble Potash (K₂O) 4%
 Sulfur (S) 2%

Derived from potassium hydroxide

Active Ingredients

Humic acids 22%

Derived from leonardite

General Information

Korban-SC Liquid Humate (0-0-4+2S) is formulated with PERFORMANCE Organic Acids™, a blend of a wide range of humic acids that are sourced from Leonardite. Derived using a proprietary extraction and separation process, these natural organic acids are selected for their ability to perform in both the soil and the plant.

Korban-SC Liquid Humate provides turf managers with a sustainable tool for improving both plant nutrition and soil health by increasing nutrient uptake, complexing phosphorus for extended availability, aiding in nitrogen retention and providing a beneficial environment for soil microbes.

Application Instructions

Korban Liquid Humate can be used with any liquid fertilizer application regardless of pH. It blends well with both Ortho and Polyphosphates, micronutrient solutions, and any commonly used NPK fertilizer. It can be applied on fairways and greens, or shrubs and ornamentals.

Soil Applications:

Korban Liquid Humate may be applied with any typical broadcast spray or mixed with deep root injection solutions at a rate of 1.0 gallon per 10 gallons solution.

Fertigation Applications:

Korban Liquid Humate may be blended into fertigation solutions to provide 3.0 ounces per 1000 square feet (1 gallon per acre) up to twice monthly.

Foliar Applications:

Korban Liquid Humate may applied at a rate of 6.0 ounces per 1000 square feet (2 gallons per acre) monthly or 1 to 3 times at random intervals during the growing season.

Blending and Compatibility

Do not mix with other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms then apply the products separately.

Mixing Instructions

Partially fill tank with water and begin agitation. Add Korban-SC slowly to the circulating mix. While agitating, inject the fertilizer product into the Korban-SC/water mixture.

Storage and Handling

Store in dry place at room temperature, away from direct sunlight.
Shake well before using as some separation may occur.

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Causes skin irritation. Causes eye irritation.

PRECAUTIONARY STATEMENTS:

Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye and face protection.

IF SWALLOWED: Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse. Dispose of contents/ container to an approved waste disposal plant in accordance with local/regional/ national regulations.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
