## **About LidoQuest FeMn**

**LidoQuest® FeMn** is a water-soluble micronutrient powder designed for use on golf course fairways, sports turf and commercial and residential lawns. Applications can quickly correct mineral deficiencies and maintain turf color for several weeks. Economical, compatible and easy to use.

### **LidoQuest FeMn Benefits**

- · Quick and efficient correction of mineral deficiencies
- Easy to apply on golf fairways, sports turf and lawns
- Provides long lasting color
- Highly soluble and easy to mix
- · Compatible with most fertilizers
- Promotes healthier, more disease resistance plants

### **Application Instructions**

Apply 1 to 2 pounds per acre. Use a minimum of 30 gallons of solution per acre. Apply every 14 to 21 days.
