KEEP OUT OF REACH OF CHILDREN

WARNING

Causes skin irritation. Causes eye irritation. May cause respiratory irritation.

HANDLING AND STORAGE

- Always keep granules dry and intact before application.
- Always wear protective gloves.
- Store bags and product in cool and shady areas away from humidity, high temperatures and fungicides.

WARRANTY AND DISCLAIMER

1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than the officer of Seller, is authorized to make any warranty, guarantee or direction concerning this product.
2. To the extent permitted by applicable law, the seller's liability for handling, storage and use of this product contrary to label instructions shall be limited to replacement of product or refund of purchaser price.

CONDITIONS OF SALE

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the sellers control, the sellers liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

APPLICATION INSTRUCTIONS

Turf and Ornamentals:

1. For use as an Aerification Amendment: On golf course greens, tees and fairways, commercial & residential lawns and sports turf:
 - Aerify surface to be treated.
 - Broadcast 5 to 10 lbs of NutriWise per 1,000 ft².
 - Drag NutriWise into holes.
 - Top dress as normal.
- Note: Apply NutriWise at each aerification.
2. For use with conventional and organic fertilizers:
 - Replace 20 - 30% of soil applied granular NPK with an equal amount by weight of NutriWise.
 - Apply as normal and follow same application method and schedule as normal fertility program.

Agricultural and Other Applications:

1. For use with conventional and high quality organic granular fertilizers:
 - Replace 20 - 25% of soil applied granular NPK with an equal amount by weight of NutriWise.
 - Apply as normal and follow same application method and schedule as normal fertility program.
2. For use with manures:
 - Replace 25 - 50% of manure with the following recommended rates:
 - * Slow growing or low nutrient demand crops (rice, etc.) : 200 to 350 lb. per acre
 - * Fast growing or high nutrient demand crops (fruits, vegetables, trees, etc.): 400 to 900 lb. per acre.
 - Apply as normal and follow same application method and schedule as normal fertility program.

Application Recommendations:

- Irrigate within 24 hours of the application.
- For best results, broadcast NutriWise and, if possible, incorporate into the soil at a depth of 2 to 5 inches (within 24 hours if broadcasted).
- Apply within 10 days of seeding or planting.
- Do NOT apply pesticides within 3 days before and after NutriWise is applied.

PRECAUTIONARY STATEMENTS:

Avoid breathing dust. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/face protection.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse. Store in a well ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container according to local regulations.
