

SUPREX[™] 30-0-0

30-0-0 Liquid Fertilizer with 15% SR Nitrogen

PERFORMANCE
NUTRITION®

GUARANTEED ANALYSIS

Total Nitrogen (N).....30%

15% Urea nitrogen

15% Slowly Available Water Soluble Nitrogen*

Derived from methylene urea and urea.

*15% Slowly available nitrogen from methylene urea

KEEP OUT OF REACH OF CHILDREN

WARNING

Serious eye damage/eye irritation.

PRECAUTIONARY STATEMENTS:

Wear protective gloves/protective clothing/eye and face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. Immediately call a poison center or doctor/physician. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html> or by writing to LidoChem LLC at the address on this label and referring to the lot/batch # on this container.

GENERAL INFORMATION

Suprex[®] 30-0-0 is a safe, effective nitrogen solution that is ideal for soil or foliar spray applications for turf and ornamentals. Suprex 30-0-0 is compatible with fungicides, herbicides and insecticides and can be mixed and sprayed in one application.

APPLICATION INSTRUCTIONS

Turf applications:

Suprex 30-0-0 can be applied throughout the growing season on warm, transitional, and cool season grasses. Applications should begin in early spring and continue through the late fall at rates of 1 to 4 oz per 1,000 ft².

Trees, Shrubs and Ornamentals:

Suprex 30-0-0 can be applied throughout the growing season as a foliar spray at rates of 1 to 4 oz per gallon of spray mix.

MIXING INSTRUCTIONS

Tank Mixes: Do not mix with pesticides or other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

Suprex 30-0-0 will disperse in water with little or no agitation. Many pesticides can be applied with Suprex 30-0-0. Follow this mixing sequence: Water, Suprex 30-0-0 and pesticide.

STORAGE INSTRUCTIONS

Suprex 30-0-0 is a chelate with low corrosivity. It is recommended that Suprex 30-0-0 be stored in fiberglass, polyethylene, or polyolefin. Do not stack pallets.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.

CONDITIONS OF SALE:

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the sellers control, the sellers liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
