GENERAL INFORMATION

Korban 12-0-2 is formulated with PERFORMANCE Organic Acids™, a blend of a wide range of humic acids that are sourced from Leonardite as well as Krystal Klear® micronutrients.

Korban 12-0-2 provides turf managers and growers with a sustainable tool for improving nutrient uptake with the convenience of nitrogen, potassium and micronutrients in one product.

APPLICATION INSTRUCTIONS

Korban 12-0-2 can be used with any liquid fertilizer application with a pH of 3.2 or higher. Korban 12-0-2 provides turf managers and growers with a sustainable tool for improving both plant nutrition and soil health.

Applications for Turf (including but not limited to fairways, greens, lawns and other high-cut turf):

Korban 12-0-2 can be applied throughout the growing season on warm, transitional, and cool season grasses. Applications should begin in early spring and continue through the late fall at rates of 3 to 6 oz. per 1,000 ft² (1 to 2 gallons/acre).

Applications for Agriculture (including but not limited to all row crops, field crops, forage crops, feed crops, vegetable crops, nut trees and vines):

Korban 12-0-2 may be applied pre-plant, as a starter, side dressed, fertigated, top dressed or as a banded application. It should be diluted with water to ensure uniform distribution at a rate of 1 to 5 gallons per acre. For foliar applications, apply 1 quart to 3 gallons per acre in enough water to provide adequate coverage.

MIXING INSTRUCTIONS

Partially fill tank with water and begin agitation. Add Korban 12-0-2 slowly to the circulating mix. While agitating, inject the fertilizer product into the Korban 12-0-2/water mixture.

BLENDING AND COMPATIBILITY

Do not mix with other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

WARNING: The use of Boron on any crops other than those recommended may result in serious injury to the crop. Contact your county agent or field representative before making application.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html> or by writing to LidoChem LLC at the address on this label and referring to the lot/batch # on this container.

PRECAUTIONARY STATEMENTS:

Do not handle until all safety precautions have been read and understood. Do not breathe fume/mist/vapours/spray. Wash skin thoroughly after handling.

Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye and face protection.

IF SWALLOWED: Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. Call a poison center or doctor/physician if you feel unwell.

If skin irritation persists: Get medical advice/attention.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

If exposed or concerned: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse. Store locked up.

Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

CONDITIONS OF SALE:

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
